### YU7MS:

Also, you can see results of all previous BCC MS contests on:

<http://www.yt7c.org.rs/Galerija/bccmsall/index.htm>

Team: VK2EKW-YT7AC Stanko, YT7WE Alex, YU7MS Miska, YU7PS Pali, YU7KB Bane, YU7ON Zoran, YU7PAA Ilija.

Thanks each and every one for nice QSOs, see you next year.

### LA0BY:

I participated only for a very limited time around the Geminids maximum.

A very special set of QSO was the "Hatrack" with IV3GTH, IV3DXW and IV3NDC.

It felt like having an Es-opening into IV3, hi! Coincidentally the four of us had met for dinner in Trieste in October (see picture). Thanks for QSO to all stations!

73, Stefan (LA0BY)
